Instructions:

Please fax this Subscription Order Form to 714.437.9950 along with:

- **Include a copy of your last 401K Account Summary that includes which funds you currently own within the portfolio as well as a description of all funds available to you along with each of the funds recent ROI history (usually called the Performance Summary). If your statements exceed 12 pages, Please mail it to: 13161 Ethelbee Way, N. Tustin, CA 92705-1855.**
- **The first thing I will do is email you and tell you which of your funds you should use for your ongoing contributions. We will always call this New Money. The next thing I will tell you is which of your funds you should be using for the money you have built up so far, to minimize your risk. We will call this Old Money.**

• I will email you at each change in market direction, and will send you instructions on which funds you should putting your “Old” and “New” monies in, and by default, which funds you should be out of during the year.
